

Hunter College Office of Research Administration Information Alert

JANUARY 2018
ALERT # 37

GRANT.GOV CHANGES

On December 31, 2017, Grants.gov officially retired the legacy PDF packages which was the method we used to submit a federal grant.

WHAT DOES THIS MEAN TO YOU?

- For NIH applications, we will be using NIH ASSIST. We will work with you in the same manner by sending you a template of what is needed for the submission. **Please do not create a package on NIH ASSIST as it could add to confusion.** However, please review your NIH Commons Profile and update the information.
- For Non NIH applications, we will be using Grants.gov Workspace. Workspace allows our office to access and submit an application. **The College is already registered in Grants.gov.** You do not have to create a Grants.gov profile. We will work with you in the same manner by sending you a template of what is needed for the submission.

ALERT

WHY THIS ALERT?

This publication has been created to serve the purpose of informing researchers of new information, trends and concerns as they occur.

AS A REMINDER, PLEASE REMEMBER "THE RULE OF 2":

1. **Notify the Office of Research Administration of your intent to submit a grant two weeks prior to the deadline.**
2. **All documents must be received by the Office of Research Administration and submission must occur two days prior to the deadline.**

Remember

If you have a NIH Commons Profile, please review the information and update ASAP.
