

Hunter College Office of Research Administration Information Alert

JANUARY 2019
ALERT # 42

NATIONAL INSTITUTES OF HEALTH (NIH) ACADEMIC RESEARCH ENHANCEMENT AWARD (AREA) GRANT PROGRAM (R15)

We are providing updated eligibility information about the NIH R15 grant program. NIH has recently made changes to the focus of the NIH R15 grant program. Their new focus is on undergraduate institutions that do not receive substantial funding from NIH.

This change now has a limit on the total amount of NIH research support that an institution has received in both direct and indirect costs in 4 of the last 7 fiscal years.

Unfortunately, Hunter College no longer qualifies. These changes were effective January 2019.

More information can be found on the NIH website at
