ALERT #49

TRAVEL DURING THE PANDEMIC (DOMESTIC AND INTERNATIONAL)

This is a reminder that all out-of-state and international funded travel at CUNY is still suspended and requires an advance waiver.

As the CDC and NYS continue to update their guidance, we'll be looking at ways this policy, which was always intended to be temporary, can be scaled back, but at this time all travel is still suspended.

Petitions for an advance waiver should be submitted at least one month in advance to allow sufficient lead time. Since not all petitions are approved, they should be submitted before financial or other commitments are made.

For additional information and to download the waiver form please refer to the link listed below.

Completed waivers should be sent to Kimberly Holland at Kimberly.Holland@cuny.edu.
